We are confident that our prices are the best within a 40 mile radius of our stores. If you purchase from Downtown and find the same item marked at a lower price in another store, within 28 days, we will refund the difference.

The comparison must be with exactly the same item ie. Brand, model number, colour, size, credit terms and service package. We expect the price to be the shelf price, and not a negotiated or special price for certain customers (eg store card holders, ex-display or clearance items).

We do not match goods from mail order, internet, membership clubs, or closing down sales. Duty Free Goods and trade wholesale prices are also excluded.
